PETITION TO CORRECT INVENTORSHIP UNDER 37 C.F.R. § 1.48(c)

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

Pursuant to 37 C.F.R. § 1.48(c), applicants request that Gary Olsen, Javier Gonzalez and Daniel Litvack be added as inventors. The correction of inventorship is necessitated due to the addition of claims 44-48 in a response submitted on 28 May 2002. Applicants note that the withdrawal of claims directed to non-elected species in a 27 September 2002 Response to Restriction Requirement does not further change the inventors of this application. That is, the inventors are Hau H. Duong, Stephen D. O'Conner, Robert H. Terbrueggen, Jon Faiz Kayyem, Gary T. Olsen, Daniel A. Litvack, and Javier Gonzalez.

Included are the statements of Gary Olsen, Javier Gonzalez and Daniel Litvack, attesting to the fact that the addition of new claims 44-48 during prosecution necessitated that they be added as inventors and that the inventorship error occurred without any deceptive intent. Also included is the Assignee's Consent to Inventorship Correction.

A check is included to cover the \$130.00 fee for the correction of inventorship, as set forth in § 1.17(I). While Applicants believe that no further fees are due, the Commissioner is authorized to charge any additional fees, including extension fees or other relief which may be required or credit any overpayment to Deposit Account No. 50-2319 (our Order No. 463037-00017 [A-65686-1]).
